Proposal

Proposal ID:100869
Type:Suspension of an Academic Program
Submission Date:May 8, 2018 3:57pm
Comments:
We are suspending the EdM degree within the Education Major. The other degrees (PhD, MS, and minor will remain active).

Effective Summer 2018 (201900)

Please
(1) Suspend the EdM degree type only
and
(2) Suspend the location (the online delivery of the Education program by Ecampus).

The EdM in Education that has been offered online by Ecampus is being suspended due to low enrollment since the State no longer requires a masters degree for teachers. The MS, EdD, and PhD degree types in the Education program (SIS Major # 2310) will continue to be offered face-to-face. Note the EdD is not currently being used and we are not changing that at this time.
