SEARCH COMMITTEES (*at the level of unit head and above*): College of Public Health and Human Sciences Dean, 2021; Secretary of the OSU Board of Trustees, 2021; Vice Provost for Information and Technology, 2019; and Executive Director Government Relations, 2019

CANDIDATE STATEMENT: I want to use my over two decades of experience and relationship building to shape how we continue to respond to the pandemic, how we confront systemic racism and inequality, and how we position OSU to overcome these and remaining challenges to be successful in the 21st century.

At the end of my career, I want to know that I never turned away but instead turned toward and stepped up to the big challenges together with my colleagues. We can do this together.
