CANDIDATE STATEMENT: I am honored to be nominated to serve on the Executive Committee. As a member of the OSU community, I've had the experience of working in and across many colleges, divisions and departments, which has demonstrated to me the value of shared governance and how it helps us to collectively fulfill our land grant mission. In addition to my unwavering commitment to equity, student success, and sense of belonging, I will bring an enthusiasm to learn and engage and will incorporate the unique perspective of serving our adult and online learners.
