HB 2213: Affordable Learning Plan

Passed in 2019

- Measurable **goals**
- **Communicating** available low- and no-cost sections to students
- **Informing** faculty about available low- and no-cost course materials
- **Academic freedom** statement
- **Mitigation plan** for the book store

Open Educational Resource Unit

- Situated in Ecampus, but serves all of OSU
- Helps faculty adopt, adapt, and author openly licensed textbooks
- Savings of approx. **\$3.5 million** since we began tracking in 2018
- Leading the Affordable Learning Plan for OSU

OSU's Affordable Learning Plan

Institution-wide goals

Engaged faculty

Informed students

Sustainability

Institution-Wide Goals

- Transparent formula for reporting savings
- College-established goals for the percentage of courses that use low- or no-cost materials

Engaged Faculty

- Faculty reporting of course materials
- Faculty recognition
- OER liaisons
- Academic freedom
- IP policy

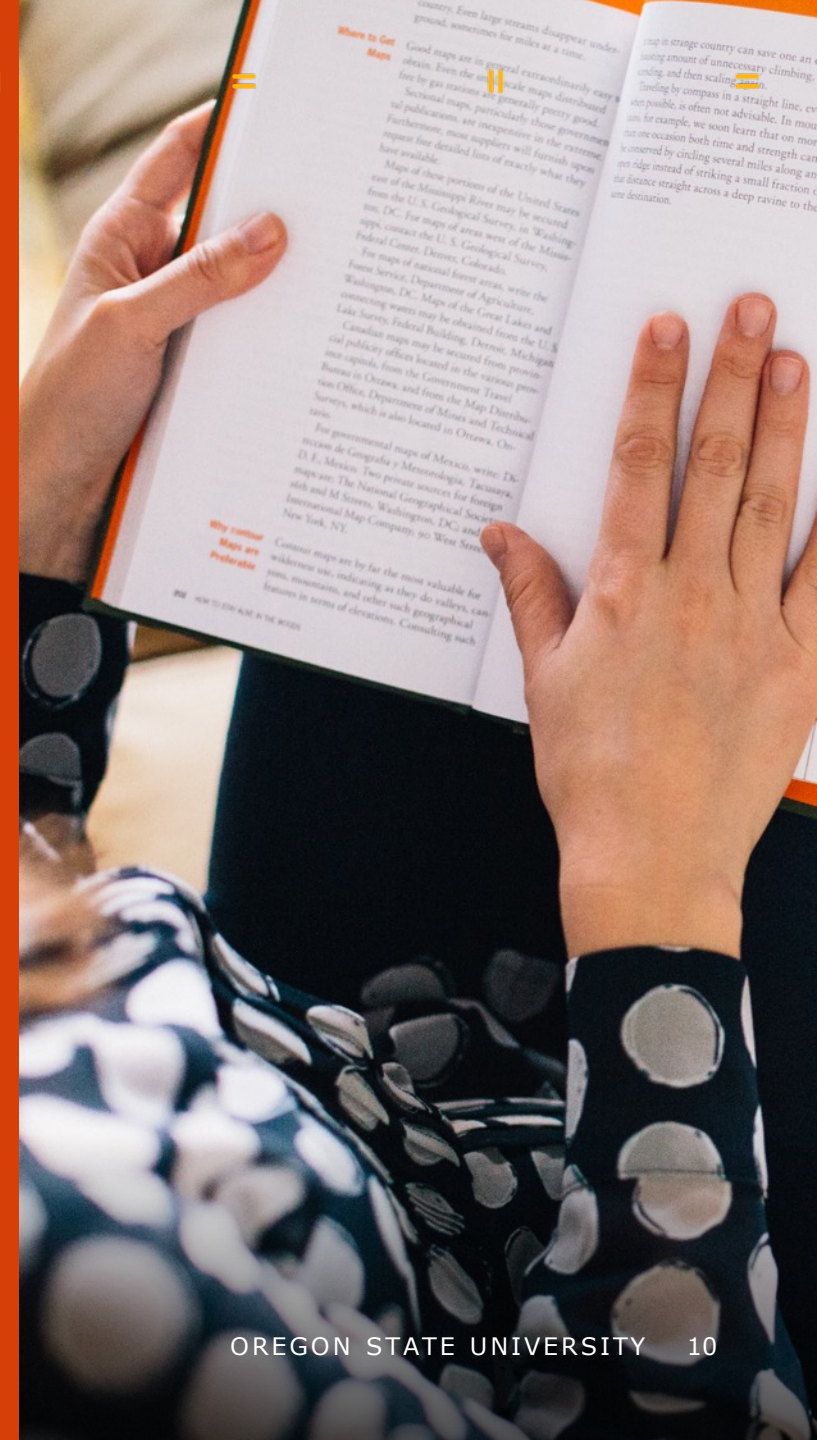

Informed Students

- Improved course material reporting rates
- Institution-wide awareness of how to find low- and no-cost course material sections

Sustainability

- Regular review of the ALP
- The OSU Beaver Store is the one-stop-shop for course materials
- The ALSC recommends that colleges consider recognizing affordability efforts in P&T
