

## **University Honors College Council**

October 10, 2011 ~ 1:00-2:30 PM

109 Gilkey Hall

Agenda

1. Review our mission as defined by Faculty Senate Standing Rules and suggest revisions, if needed:

2. Review demographic questions on SET to see if they allow faculty to identify specific UH students (due to small class sizes)
3. Discuss the Honors Thesis (how to improve the process) and alternate forms that might be equally appropriate (e.g. performance recitals)
4. Review and provide input into the admissions essay topics
5. Discuss whether UHC should consciously try to increase enrollment. Is bigger better?
6. Create a more direct tie between UICC and BCC? (since BCC decisions affect UHC students and policies)
