Candidate Statement: I am honored to run for Executive Committee. Prior to returning to OSU, I held administrative and teaching positions at three different universities. These experiences, coupled with training in educational leadership and policy studies, provide me with an overview of complex universities. Yet, I know there is much to learn and much to give. I am dedicated to understanding curriculum, student-focused perspectives, and campus issues, while representing faculty (especially the interests of fixed-term faculty), staff, and students. Serving on the Executive Committee provides an opportunity to contribute in meaningful ways while advancing the core values outlined within OSU's Strategic Plan.
