CANDIDATE STATEMENT: I am honored to be nominated to serve on the Executive Committee. Since my arrival at OSU, I have sought out opportunities to serve the OSU community and have seen the real impacts we can accomplish by working together. As OSU, its students, and the broader OSU community continue to weather the uncertainty of the pandemic, and the struggles associated with it, the Executive Committee is uniquely positioned to provide a solutions-oriented approach to address these challenges. I would be thrilled to serve the OSU community on the Executive Committee and look forward to working with our colleagues and students.
