I'd like you to meet my current officemates:

2

Reminder: I am the Faculty Member on the 15-member OSU Board of Trustees

Missing: Paul Kelly and Preston Pulliams

The Board Approved:

4

- Stage Gates for: Newport Student Housing project, Arts and Education Complex
- The plan to hire a new Chief of Police
- Creation of 3 schools within the College of Business

- Board members Julie Manning, Michele Longo-Eder and Kirk Schueler have been leading the Presidential Transition Team.
- There have been regular phone calls.
- COVID-19 has complicated King Alexander's planned visits to campus.

Tuition and Fees

- The Board accepted the administration's tuition plan

Rate	Recommendation	Notes
Resident and non-resident undergraduate tuition, Corvallis	No increase for continuing students; 3.2% increase for new students	Continuing students are adjusting to COVID-19 related disruptions to expected teaching modes in spring 2020, in addition to financial challenges; new students face heightened financial challenges related to COVID-19 but OSU remains a competitive option in terms of quality and affordability
Resident and non-resident undergraduate tuition, OSU-Cascades	No increase for continuing students; 4.72% new resident students; 3.2% new non-resident students	Similar scenarios as for Corvallis are included for discussion; the OSU-Cascades' increase is higher to close the gap with tuition rates at Corvallis
Resident graduate tuition	2.5%	Lower increase rate recommended based on comparison with peers
Non-resident graduate tuition	4.5%	Higher increase rate recommended based on comparison with peers

The Board accepted the administration's fee plan to:

- Reduce Corvallis campus fees: \$398.44 → \$353.30 (11.3% reduction)
- Reduce OSU-Cascades campus fees: \$267.00 → \$111.00 (58% reduction)

The Board wants to re-visit the increase for new students at the May Board meetings.

Thanks!
