

Oregon State University
Student Evaluation
University Honors College

Materials linked from the October 10, 2011 University Honors College Council Minutes.

TO THE HONORS STUDENT COMPLETING THIS INSTRUMENT: Your responses to the items on this evaluation are solicited by the University Honors Council in its effort to improve our coursework. A summary of the student responses will be prepared, and the summary and actual evaluation forms (without identifying information) will be given to the professor after final course grades have been submitted to the Registrar. You should complete the instrument during the class time provided by the professor and have it collected by the honors student or administrator selected to do so. **If you would like written comments to be placed in the instructor's personnel file, you need to write, sign, and mail a letter to the appropriate Chair, Head, or Dean.** Faculty members will have access to such letters, and student anonymity cannot be preserved. If you have questions, call Honors at 541-737-6400. Please write clearly and darkly.

COURSE PREFIX _____ NUMBER _____ PROFESSOR _____ TERM/YEAR _____

How many Honors credits have you completed prior to this term? (Circle one)

0-5 6-10 11-14 15 or more

1. What did you like most about this course? What did you like least about it? Why?

2. What recommendations for change would you make to the professor for this particular course?

3. Please comment on the workload for this course. Comment, for example, on the applicability of the text materials and assignments, the number of hours per week needed to prepare properly for this course, and whether the knowledge gained was appropriate to the workload.

4. Please use this space to suggest ways students themselves might help to improve this particular course.
